

Bill Contrivance Bill

A Bill to grant statutory legitimacy to certain acts of Archivers; and for connected purposes.

Be it enacted by the President's most Excellent Majesty, by and with the advice and consent of the Speaker and Senators of this present Senate assembled, and by the authority of the same, as follows:-

Schedule 1: Amend Article 4 (C) of the Hansard Act to replace *"recent changes"* with *"recent enactments"*.

Schedule 2: Rename *Article 4 (D)* of the Hansard Act as *Article 4 (H)*.

Schedule 3: Add the following as Article 4 (D) of the Hansard Act:
Archivers are permitted to omit spent single-use clauses (aka "schedules") from laws, such as "Article N: Cede the following territory to X".

Schedule 4: Add the following as Article 4 (E) of the Hansard Act:
Archivers are permitted to consider a schedule-only enactment as itself a schedule, which does not need to be archived as a new law, so long as the enactment itself is still archived.

Schedule 5: Add the following as Article 4 (F) of the Hansard Act:
Whenever an enactment and its new law are the same document, Archivers are permitted to contrive a substitute schedule-only enactment that enacts the new law, so long as it's plainly marked as a contrivance and named similarly.

Schedule 6: Add the following as Article 4 (G) of the Hansard Act:
Where an enactment is improperly formatted, such as a Senate Bill that states "Repeal all subsidy laws", Archivers are permitted to restructure, reorganize, and reformat it, so long as no change is made to what the enactment does.
