

# The Partitioning of Sovia Treaty

---

*The Third Republic of Icenia*

*Sovia*

---

## Glossary

“Icenia” or “Republic of Icenia” refers to The Third Republic of Icenia.

“Icarus” refers to the State of Icarus.

“The Sovian Partition” refers to the partition of Sovia now Part of the State of Icarus.

“Dbugingrad” refers to the partition of Sovia now part of the Icenian Territory.

---

**This document will be split into four sections.**

**The First Section will be on General Terms.**

**The Second Section will be on The Sovian Partition of Sovia joining Icarus.**

**The Third Section will be on Dbugingrad joining Icenia.**

**The Fourth Section will detail territory.**

---

## Section One - General Terms

### Article 1

Sovia shall renounce its status as a sovereign nation.

### Article 2

Dbug\_113 and Blue\_Wolf\_101 shall gain Icenian Citizenship upon the signing of this treaty.

---

## **Section Two - The Sovian Partition**

### **Article 1**

The Sovian Partition shall be liquidated into the State of Icarus.

### **Article 2**

The Sovian Partition shall be governed by the Governing body of Icarus and the Government of Icenia with their respective duties.

---

## **Section Three - Dbugingrad**

### **Article 1**

Dbugingrad shall be liquidated into Icenia proper.

### **Article 2**

There shall be a company, corporate entity, by the name of Dbugingrad Limited, which Dbug\_113 shall own and administer as Chief Executive Officer. Dbugingrad Limited shall claim the area of Dbugingrad as private property, subject to the restrictions of Icenian property law.

### **Article 3**

The people of Dbugingrad agree to cede ownership of their "real property" to Dbugingrad Limited in return for equity partnership in Dbugingrad Limited and a lease to their prior "real property" subject to company policy.

### **Article 4**

The President of Icenia shall grant Dbugingrad Limited a revocable exception to dereliction laws pursuant to Article VII (b) of the Constitution.

---

## **Section Four - Territory**

### **Article 1 - Territory**

The Sovian Partition and Dbugingrad are to be defined as a polygon making up the following image and coordinates:

Sovian Partition with Dbugingrad Coordinates:
